# JOIN US TO CELEBRATE OUR TENTH ANNIVERSARY

CREATED FOR

To mark Adorn's first decade of being in business in Salisbury we are holding a very special evening to thank you, our loyal clients. Come and share a glass of something fizzy and a canape as well as taking part in our raffle. We will also be launching our support for the Wiltshire Community Foundation's Surviving Winter campaign. As part of our support we have created a special Winter Warmer treatment to keep the ravages of the colder months at bay. For each treatment sold we will donate £2 to the foundation's Surviving Winter fund, which gives vital £300 grants to those living in fuel poverty in Wiltshire. Book on the night and we'll double our donation to £4!
